THE MOTHER OF THESE FOUR CHILDREN ALWAYS GIVES THEM FATHER JOHN'S MEDICINE WHEN THEY HAVE A COLD OR GET RUN DOWN.

"Last winter my oldest boy got so bad with a cold that I thought it would settle on his lungs, as he was not very strong. He took a very bad cough, coughed all night long; could not sleep at night and began to lose flesh. I gave him Father John's Medicine and he began to mend, so I gave it to him until he got well and strong. I think it is the best medicine there is for colds and run down people. I give it to all my children when they take a cold. I will not be without it in my house in the winter time." (Signed) Mrs. Edie Finn, 800 South Senate Ave., Indianapolis, Ind. Many mothers agree that for colds and coughs there is nothing that can possibly equal Father John's Medicine, which has had over 60 years of success, because it is pure and wholesome—a food tonic.—Adv't.
